Each family must register in advance and can receive up to 2 seats on a first-come, first-served basis. If parents do not receive a phone call from the school before the event, it means their registration has been accepted, and they should attend on time.

Students should pay attention to safety, be careful when crossing the track, and are prohibited from entering the throwing area. 3. The Sports Day is a learning activity on a normal school day. All students must attend. For absence due to illness, a valid medical certificate must be submitted; otherwise, it will be treated as truancy.

## **2. After-School Tutoring Schedule for Form 5 and Form 6 Students (Second Term)**

To enhance students' learning effectiveness, the school will arrange after-school tutoring. All students must attend the relevant sessions on time. Students must seek approval for absence from the subject teachers if they cannot attend any session. Students will be considered truant without a doctor's certificate or reasonable explanation. Please refer to Attachment 1 for the tutoring arrangements.

## **3. Parents' Seminar 2025 on 'Senior Secondary Curriculum and Subject Choices'**

To help parents of Form 2 to Form 4 students better understand the latest developments in the senior secondary curriculum and assist their children in making appropriate subject selections, the Education Bureau will host a parents' seminar on 'Senior Secondary Curriculum and Subject Choices' on 22 February 2025 (Saturday). Interested parents can register on the Education Bureau's webpage (<https://www.edb.gov.hk/parentstalks>) starting from 13 January 2025 (Monday). For more details, please refer to Attachment 2.

Best regards,
